Relevant coursework: Quantitative and Qualitative Research Methods, Intercultural Communication

Sichuan International Studies University, Chongqing, China
Bachelor of Arts in Internet and New Media | Sep 2016 – Jun 2020
GPA: 3.62/4 | Honors: Outstanding Graduate
Relevant coursework: Data Statistics and Analysis, Introduction to Communication Studies

RESEARCH

My research focuses on diaspora media and cyberpolitics. I study how exiled critics from China use digital platforms to reach audiences abroad and how their work shapes a transnational public sphere. My current project analyzes "run philosophy" (runxue) discourse among young Chinese people on social media, using critical discourse analysis to examine how online communities talk about emigration and resistance. I am also beginning to explore Chinese feminist media and China's green soft power in the Nordic countries.

CONFERENCE PRESENTATIONS

Leaving the Lowland: Collective Resistance to Authoritarian Narratives and the Reproduction of Suzhi Ideology in Chinese Digital Migration Discourse
Presented at the ECREA European Communication Conference (ECC), Brno, Czech Republic, September 2026.

Run Philosophy: Migration Aspirations as a Response to Politicized Life in China
To be presented at the National Communication Association (NCA) Annual Convention, New Orleans, LA, November 2026.

Title to be announced
To be presented at the International Studies Association (ISA) Annual Convention, Atlanta, GA, 2027.

Imagination of Humanoid Bodies: From Mythological Era to Digital Era
Accepted by the Southern States Communication Association (SSCA) 96th Annual Convention.

Triple Paradox: The Dilemma of Interdisciplinary Education for Law Postgraduates
Presented at the 2023 Annual Conference of the Educational Law Division, Beijing Law Society.

PUBLICATIONS

Translator (Introduction and Chapter 5), *A Cultural History of Dress and Fashion in the Medieval Age*. Published 2024.

Co-author, "Triple Paradox: The Dilemma of Interdisciplinary Education for Law Postgraduates." Pending publication.

THESES

Interpreting the Film from the Perspective of Structuralist Mythology: *Ne Zha*
Analyzes the Chinese animated film Ne Zha through structuralist mythology, examining how the film reconstructs and modernizes traditional Chinese myths and connects ancient cultural symbols with contemporary values.

Metahuman and Its Visual Narrative: A Case Study of AYAYI on RED
Traces the cultural history and visual narrative of digital humans through the case of AYAYI, combining visual narrative theory with design analysis to examine digital identity in contemporary media.
